# DIGITAL MARKETING TEMPLATES

500 Instagram Posts

500 Facebook Posts

420 Instagram Stories

# Drag & Drop Edit

Welcome to your Rapid Rescore marketing resources! In this PDF, you'll find links to customizable Canva templates for credit repair social media posts. These templates are designed to make it easy to create professional and branded content for your social media channels. Here's how to get started:

## 1. Open The Links

Click on the provided links to access templates for each platform:

- Instagram Posts - 500
- Facebook Posts - 500
- Instagram Stories - 420

## 2. Set Up a Free Canva Account

- If you don't already have one, visit [Canva.com](https://www.canva.com) to create a free account.

This will allow you to access and edit the templates.

## 3. Customize Your Templates

- Each template is fully editable. Once opened in Canva, you can adjust:

- Colors
- Text and Fonts
- Logos

# Download and Upload

Click the links below to access templates. After customizing, download your designs from Canva and upload them to your social media accounts!
